

First Named Inventor: Ralph Heinzen

Application No.: 10/619,806

-2-

**IN THE TITLE**

In the title, please replace the title with "Self Monitoring Static Seal With Optical Sensor".

**REMARKS**

This Preliminary Amendment is submitted to change the word "conductor" in the title to the word "sensor", which applicant believes better describes the present invention. Entry of the Preliminary Amendment is respectfully requested. The Examiner is invited to contact the undersigned at the telephone number listed below if such a call would in any way facilitate examination of the application.

Respectfully submitted,
